BOARD MEMBER DEVELOPMENT OPPORTUNITIES

The School Board believes that inservice training for its members is vital in order for the Board to govern the district in the most informed and prudent manner possible. Informed decision making grows more important as school governance becomes increasingly complex. In keeping with this position, the Board encourages the participation of its members at appropriate school board conferences, conventions, seminars and workshops.

Registration forms will be available at Board meetings for members of the Board who wish to attend workshops/seminars.

Board members will be reimbursed for such training experience and expenses in accordance with procedures set at the annual school district meeting.

SCHOOL BOARD ASSOCIATION

The Dodgeland School Board shall annually join the Wisconsin Association of School Boards. Delegates representing the District at meetings of this organization shall be reimbursed in accordance with established procedures.

Board members in their first or second year of their present term are eligible to attend. Those members not seeking re-election in the third year are not eligible.
