DODGELAND SCHOOL DISTRICT

434.2

CLOSED CAMPUS

The Dodgeland School Board supports a closed campus for all District schools. Students are required to be in attendance at their assigned school for the entire school day with the following exceptions for approved school programs and activities:

- Work experience programs;
- Student trips (i.e., day trips and extended travel);
- School-sponsored, off campus programs and activities, including athletic events, authorized by the principal;
- Youth Options and other postsecondary enrollment options;
- Course Options;
- Alternative educational programs and other program or curriculum modifications; and
- Other activities authorized by the principal.

The written permission of parents/guardians for students to participate in these school programs and activities shall serve as permission for the students to be off campus during the school day.

Parents/guardians may request that students be permitted to leave school premises for religious instruction. Students who leave school premises or are absent from school for reasons defined as excused by state law and Board policy shall not be considered to be in violation of this policy.

Students who leave school premises during the school day in violation of this policy shall be subject to disciplinary action.
