

DODGELAND SCHOOL DISTRICT
APPLICATION FOR EARLY GRADUATION

345.61- Exhibit

Student's Name: _____

I hereby request permission for early graduation from Dodgeland High School. Early graduation is being planned at the end of the seventh semester. If this request is approved, I understand that any end-of-semester failures in courses required for graduation automatically voids the approval.

Student Signature: _____ Date: _____, 20__

The following deadline and requirements must be met before final consideration will be given to this application for early graduation. It is the student's responsibility to:

- Complete seven semesters of successful high school work.
- Submit a letter of approval from the parent/guardian that is attached to the application, if the student is a minor.
- Secure written verification from the school counselor that all requirements for graduation can be fulfilled before the date of early graduation.
- Secure written verification from the principal that the student is eligible for early graduation and has consulted with the principal about considerations related to early graduation (e.g., graduation exercises, class rank, awards and scholarships).

Verification of the School Counselor

I have consulted with this student and have verified that all requirements for graduation can be fulfilled before the date of graduation.

School Counselor Signature: _____ Date: _____, 20__

Verification of the Principal

I have consulted with this student to review this application and discuss considerations related to early graduation. I hereby verify eligibility for early graduation.
