SCHOOL ADMISSIONS

All students seeking school admission in the Dodgeland School District must meet the entrance age requirements of Wisconsin and must reside within the established boundaries of the district, except as otherwise provided by law and/or Board policy.

For each student entering the District, official registration forms shall be completed prior to assignment to a grade or schedule of classes. Assignments shall be made by the building principal in accordance with legal requirements and District policies and procedures. Students transferring from other school systems are required to provide a transcript of academic accomplishments at the previous school, or the address from which this data may be secured. Students entering the district from a home-based private educational program or private school shall be required to provide any available academic information. If insufficient academic information is available, students may be required to take appropriate academic tests to assist in making a placement.

Students admitted to the District's elementary and secondary schools shall present immunization records as required by law. In addition, students are encouraged to have a complete physical prior to entering school. Students entering kindergarten in the District shall also be requested to provide evidence that they have had their eyes examined by an optometrist or evaluated by a physician.

The District shall not discriminate in admissions to any school, class, program or activity or facilities usage on the basis of sex, race, color, religion, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, homelessness status, or physical, mental, emotional or learning disability or handicap. This policy shall not, however, prohibit placing a student in a school, class, program or activity based on objective standards of individual performance or need. Discrimination complaints shall be processed in accordance with established procedures.

Nothing in this policy shall prevent the District from denying the admission of a student during the term of his/her expulsion from another school district.
