

**DODGELAND SCHOOL DISTRICT  
Board Policy Manual**

**537.4**

**REIMBURSEMENT FOR EDUCATION**

The District shall reimburse teachers for education in an amount equal to \$105.00 per credit, for no more than six (6) credits per contract year. In order to be eligible for reimbursement, education must have prior written approval by the building principal and the District Administrator. Following completion of the course the teacher must submit a copy of their grade report to the District Office in a timely manner, but not more than three (3) months following the completion of said course. New staff members will be reimbursed only for courses taken after the start of the school year. Summer school credits shall be paid in the September following the completion of the credits, and will be paid only to teachers returning to the system. Other eligible credits will be paid upon completion of the course.
