Board Policy Manual**

620

ANNUAL OPERATING BUDGET

The School Board shall consider and adopt an annual operating budget for the District. The budget shall be based upon the educational needs of the District.

Budget preparation for the District shall be an integral part of program planning so that the annual operating budget shall effectively express and implement programs and activities of the school system. Budget planning shall be a process involving participation of School Board Members, District Administrators, principals, coordinators, teachers and other personnel as determined necessary by the District Administrator.

The District Administrator shall have overall responsibility for budget preparation, including the construction of an adherence to a budget calendar.
